

Kamloops Festival of the Performing Arts Logo Contest

Local Artists - Design us a Look for the 21st Century!

It's been a long time since our current KFPA logo was designed – 38 years ago to be exact! To give some perspective, that's 1981, the same year IBM launched its first PC. And the year the Internet was first mentioned! Simply put, it's time for a change!

~ The KFPA logo design contest is open to ALL ages ~

~ The chosen artist will receive a \$200 cash honorarium, a letter of recognition and some pretty serious bragging rights! ~

Things to Keep in Mind While Designing:

The Kamloops Festival of the Performing Arts is dedicated to promoting a passion for the Performing Arts with our young performers while enriching their quality of life.

The Kamloops Festival of the Performing Arts (KFPA) is a non-profit registered under the British Columbia Society Act. Every February/March we host a three-week Festival featuring choral music; dance (ballet, modern and stage); instrumental; piano; strings (violin, viola, cello, guitar, harp), speech and dramatic arts and voice.
